## Who is IDS?

- **Established in 1977** in the United Kingdom and has produced over **1,000 instruments**
- **Globally based offices** with full sales, support and logistic functions
- **Leading *in vitro* diagnostic solutions** provider to the **clinical and research laboratory** markets
- **Develop (in-house)**, manufacture and market innovative and **high-quality immunoassays and instruments**
- **Part of the PerkinElmer family of companies** since July 2021
- **Expertise in research and product development** and a large product portfolio – an ideal complement to EUROIMMUN's know-how and portfolio
